The Preliminary Examinations are planned to be held in the month of December, the dates being, 8th, 9th, 15th and 16th December. So, you are still left with 12 weeks to furnish that absolute touch to your preparations for IBPS Clerk Preliminary Examination 2018. And in the last 12 weeks, if you travail all day & night following a severe study plan, no one can stop you from getting through this year's IBPS Clerk Examination.

Ibps po study plan

Quantitative Aptitude

All that you require to do to achieve well in the quantitative aptitude part is practice. Master yourself at the basic concepts and follow them well, as for banking exams basic concepts will come in handy rather than tricks. Choose the questions wisely and try not to get trapped on a particular question or topic for too long. Try focusing on attempting the highest number of questions keeping in mind the exactness with which you challenge the paper.

Reasoning

Reasoning can be a tricky segment for most of the aspirants and it is essential to solve the questions and at the same time, keep observing on the time that is passing by. We've seen in the latest Banking Exams that this section was quite challenging and time taking for students. Continuous practice will help you deal with this segment too as the solution hits the mind quickly. To ace the grades in this section, all you require to do is to practice and only practice. After all, practice makes a man perfect.

English Language

If you are superior at vocabulary and reading then try to create your grip stronger on the reading comprehension and finish Test and then do the other various topics like Error finding,

Para Jumbles, Phrase Replacement, Double Fillers, etc. But if you are good at grammar, do the miscellaneous topics first and Reading Comprehension in the end. The significant topics for close test are subject-verb agreement, preposition, and verbs. These topics may assist you some other questions too that will be based on grammar. So make sure that you have these topics on your fingertips when you are to challenge the examination.
